

Silk-Road Scholarship for Fall 2026

Office of Global Affairs, Seoul National University

We are pleased to announce the call for **Silk-Road Scholarship Fall 2026**. Please find the detailed information about the scholarship below and apply within the designated period.

1. Silk-Road Scholarship

The Silk-Road Scholarship Program, jointly funded by the SBS Foundation and Seoul National University, was established in Fall 2009. This esteemed program is designed specifically for students aspiring to study humanities and social sciences. Students from countries located along the Silk-Road are invited to apply. We believe that educating and training scholars in fields related to Korean humanities and social sciences is crucial for expanding the international base of Korean studies and strengthening the global competitiveness of Korean education and research. This program aims to:

- Expand the field of humanities, which has often been underfunded due to the development of technological fields.
- Support the education and research of international students.
